

Prevent Annoyed Parents and Disappointed Players

teamCommunicate.com gives you with the easiest and fastest ways of communicating with your team or league. **We're spreading the word for you...**

1. **Email2Text - Send text messages to your ENTIRE team with one email** - By sending one email, you send out a text message to all team members' cell phones (up to 50) simultaneously. **Send important messages that need to be delivered to many people right away:**

- a. "Today's game is canceled due to the rain. I'll send an email later with the new date."
- b. "The directions we received for today's game were wrong. The school is actually 2 miles from the interstate on the left."
- c. "The team bus leaves today at 1:30pm. Make sure you arrive by 1:15pm."
- d. "Practice will start 15 minutes late today. Coach Strom is having car trouble again."
- e. "Reminder that Coach Bill said it's OK to bring your iPods and PSPs for this trip."

2. **Group email. One click. Private.** We set up a group of email addresses that you specify. Change the list as you see fit. Send email to all people by sending it to one email address. Email goes out to all *without* the recipients seeing each others email addresses. (up to 50 addresses included).

Free Bonuses with Annual Plans...

A. **Personalized email. Like "you@yourteam.com"**. Managers, coaches, league officials get personalized email addresses. You can have manager@yourteam.com, coach@yourteam.com

- a. easy directions on how to get your email
- b. forward all email send to one account to an existing account

B. **Monster Spam Filter - filters out 99% of spam. Really!** Stops 99% of spam from getting to your email box (for email that we host for you).

Who will love using teamCommunicate? Managers, coaches, trainers, league officials, SIDs, AD's, etc.
